Members and Guests

- Babysitters may use the Club only when accompanying children without parents. Babysitters may not use the Club for their own use.
- Children/guests 13 years old and under must be accompanied by an adult 18 years or older who will be responsible for their conduct at the Club.
- Members must register their guests, pay a guest fee, accompany their guests and take responsibility for the conduct of their guests while at the Club.
- Non-swimming children must remain in the shallow end and be monitored and supervised by their parent/guardian. ***No floatation Devices allowed;** *except on specified float activity Sundays. Anyone with special needs must contact the supervising manager on duty if they have someone that needs to use an ADA approved lifesaving vest to use our facility. We have an ADA approved chair lift for anyone who needs assistance in or out of our pool.
- Non-swimming children are never allowed in the deep water if unaccompanied by a parent/guardian and **cannot** use the diving board, slide, or log roll.
- The Club is not responsible for supervising your children within the Club property -- or in parking lots, picnic areas or playground.
- Guests that are part of a birthday party must be met at the front desk by an adult member, unless a list of attendees is given to the Club management prior to the party.
- Guests are subject to the same rules and regulations as members. Violation of rules and regulations may result in the loss of guest privileges.

Our Smallest Swimmers

- All children who are not toilet trained must wear diapers that are covered by rubber pants and a bathing suit. **No flotation devices of any kind are permitted.**
- All diaper changes should take place in the bath house.
- NO EXCEPTIONS. Members caught violating this rule more than twice in a season will have their membership privileges suspended for two weeks.

Deep Water Test

- The deep water test is given periodically throughout the day and will be announced over the public address system.
- All members/guests 15 and under must pass the test.
- The test is administered in the swim lanes and requires two full lengths of the swim lane in freestyle and one minute of treading water.
- Individuals may repeat the test until they pass.
- All members/guest must be certified each summer.
- The Requirements to pass the deep water Test are as follows:
 - The deep water test is given periodically throughout the day and will be announced over the public address system.
 - The test is administered in the swim lanes and requires the individual to swim freestyle two full lengths of lane in a horizontal body position and immediately followed with treading water (verified with a timer) without touching the side, without grabbing the lane line or ladder, and without the chin, mouth or nose going below the surface for one minute.
 - Individuals may repeat the test until they pass.
